## Thank you from Sustainable Wakefield

As the founders of Sustainable Wakefield, we wanted to thank those residents who participated in last Monday's Town Meeting. The Plastic Bag Reduction article generated thoughtful debate on both sides of the issue. The vote to reduce single-use, thin-film plastic bags was a vote for a cleaner and greener Wakefield. We look forward to working with town officials, businesses, and residents on the phase-in of the new bylaw and on future environmental awareness and advocacy issues. If you would like to join

our efforts, we invite you to join us this Wednesday, November 15, at at 6:30 p.m., in The Savings Bank's Community Room and/or follow us on Facebook @ SustainableWakefield.

**Sincerely,**
